

## Peatland perspectives – Paludiculture

23 May 2023, Online Workshop

- |              |  |  |
|--------------|--|--|
| 10:00        | Opening remarks & practical issues   | <i>Birger KERCKOW, Agency for Renewable Resources (FNR), GERMANY</i>                   |
| 10:10        | Paludiculture- An introduction   | <i>Sabine WICHMANN, University of Greifswald (UGW), GERMANY</i>                        |
| 10:35        | Paludiculture pilots and experiments with focus on cattail and reed in the Netherlands     | <i>Christian FRITZ, Radboud University (RU), NETHERLANDS</i>                           |
| 11:00        | A multi-adaptive framework for the crop choice in paludicultural cropping systems in Italy | <i>Vittoria GIANNINI, University of Padua (UNIPD), ITALY</i>                           |
| <b>11:25</b> | <b>BREAK</b>   |  |
| 11:40        | Establishment of sphagnum to sustainably produce biomass for growing media                 | <i>Simon CAPORN, Manchester Metropolitan University (MMU), UK,</i>                     |
| 12:05        | The potential of paludiculture in Austria  | <i>Stephan GLATZEL, University of Vienna, AUSTRIA</i>                                  |
| 12:30        | Discussion   | <i>Moderation:<br/>Wibke BAUMGARTEN, Agency for Renewable Resources (FNR), GERMANY</i> |
| 12:55        | Closing remarks  | <i>Lena HUCK, Agency for Renewable Resources (FNR), GERMANY</i>                        |
| 13:00        | <b>End of workshop</b>   |  |

Duration: 3 hours
